SUMMER PROGRAMME – 2017

Saturday 6th May to Sunday 5th November Picturing Sheffield: Rivelin Valley Artists

This new display at Weston Park Museum shines a spotlight on a remarkable, yet little-known, community of amateur and professional painters established in Sheffield's Rivelin Valley in the 1920s. This display in the museum's 'Picturing Sheffield' gallery brings together 14 works by artists including Ben Baines, W R E Goodrich, Robert Scott-Temple and Vernon Edmonds. The collection has been amassed by Baines' grandson, the award-winning writer, broadcaster and environmentalist, Chris Baines.
