

Open meeting 9th October 2025 on "Ughill: building a Climate Resilient Upland Farm"

About 30 people attended a great talk given by Tom Dunne. In this talk Tom described how Ughill Farm was purchased by Sheffield and Rotherham Wildlife Trust in March 2024. Tom also described the challenges and aims of managing an upland farm that is to become abundant in wildlife and to provide a steady income from cattle grazing and hay production.
