

## Rivelin Guided Walk 23<sup>rd</sup> and 24<sup>th</sup> May 2026

Over the weekend of 23/24<sup>th</sup> May, the RVCG gave two walks led by Graham Appleby as part of the Sheffield Environment Weeks. A total of 26 people attended the walk between Malin Bridge and Rivelin Park as Graham revealed the rich history of the area. Sadly, entry to Mousehole Forge was not possible due to a bereavement but everyone appeared to enjoy the guided walks probably helped by the beautiful weather over that weekend. RVCG Guided walks can be arranged on request.
