

Stannington Carnival 12th July 2026

Once again RVCG had a stall at the Stannington Carnival. It was a gloriously sunny day and the RVCG gazebo's were a godsend for providing shade. Lots of people showed an interest in the work of RVCG, shared their memories of Rivelin and signed up to become RVCG members. Younger people enjoyed the activities provided by Joan Buckland and the model of the mill created quite some interest. Thanks to Graham Appleby, Sue Shaw, Derek Hastings, Mark Bateman and Christine and Graham Roe for help on the day.
